

# the support package

We need your help to send more Gospel workers so that those without Christ will hear the Good News of salvation in Him.

Individual partners are asked to commit to at least £15 per month for a period of 2 years or donate a one-off gift.

Typically, SGA offers support to the amount of £170 per month (£2,040 p.a.). Partners will receive reports from the field from those they sponsor.

Churches, groups or individuals may wish to provide full sponsorship.
